TETSUO

LE COLONEL

TETSUO : Il a déclenché un cataclysme qui ravage, une nouvelle fois Néo-Tokyo. Halluciné, Tetsuo n'a absolument pas conscience de ce qu'il vient de faire. Il regagne le siège du Grand Empire l'esprit apaisé. Kaori, sa servante, s'incline devant lui.

KANEDA : Il s'est allié avec le Joker, un ancien rival, pour combattre Tetsuo. Le gang s'organise et part à la recherche du mutant avec la ferme intention de lui faire la peau.

LE COLONEL : Lui aussi n'a qu'une obsession : retrouver le Maître de l'Empire et éviter qu'un nouvel Akira ne voit le jour.

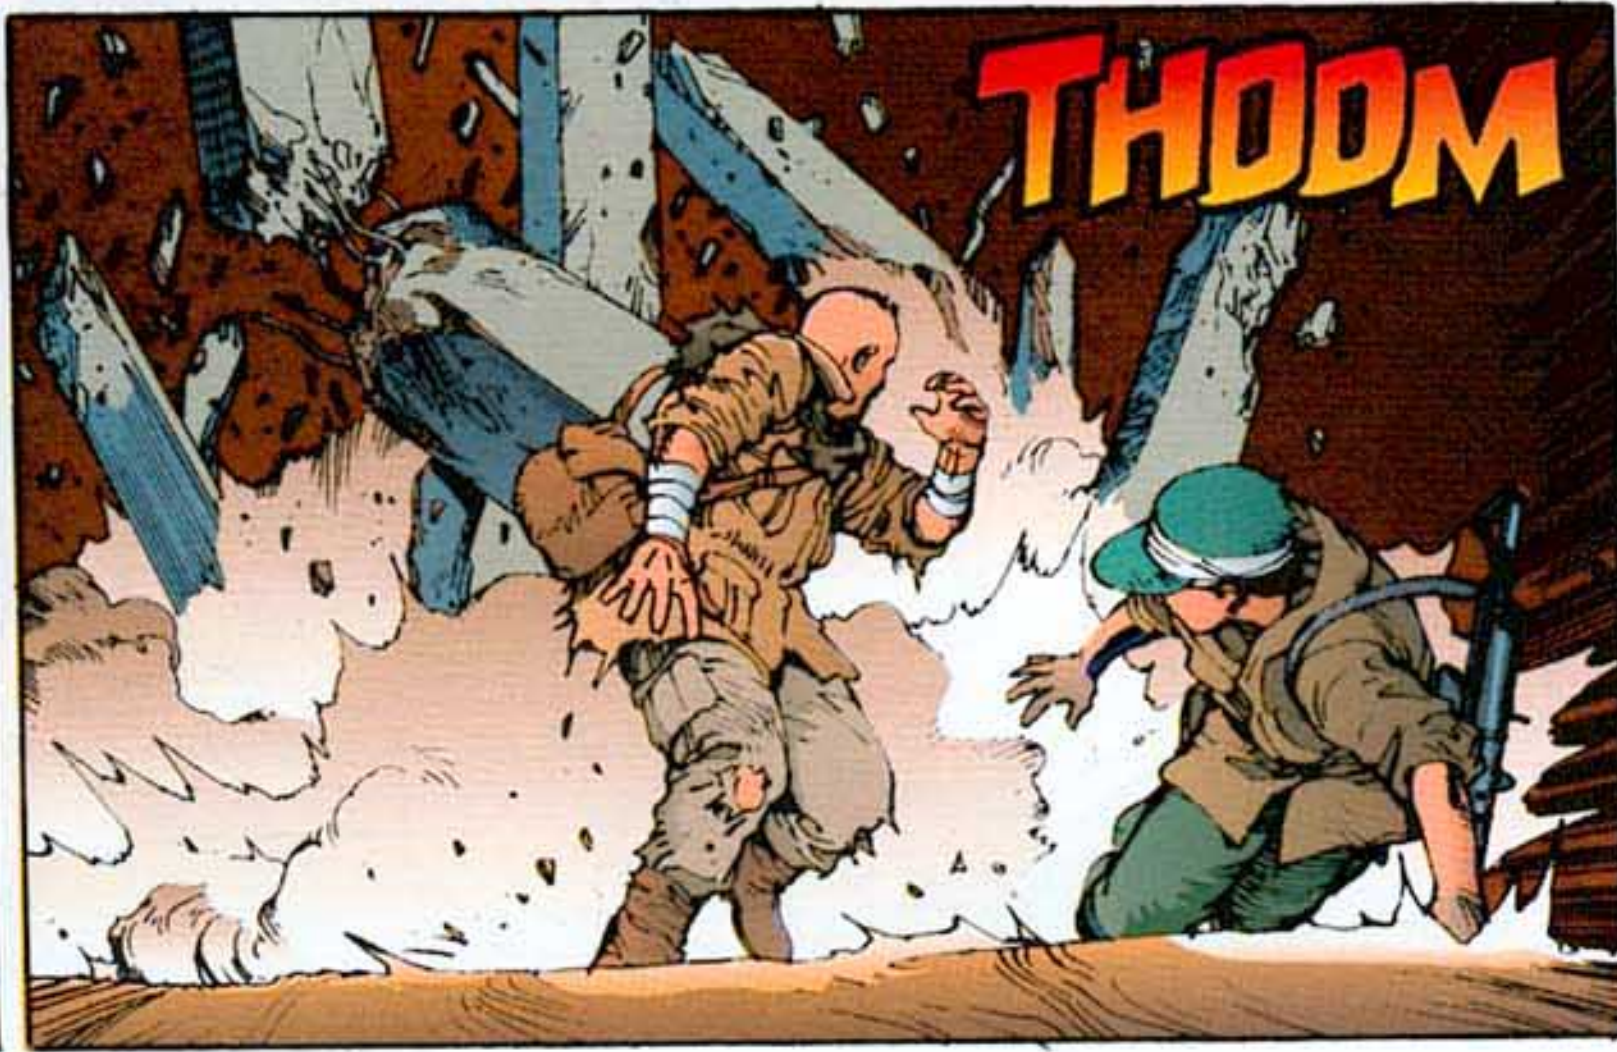

KAY : Elle ne lâche pas le militaire et veut à tout prix savoir où il a caché Chiyoko.

LADY MIYAKO : Elle apprend que Kay et le Colonel sont partis ensemble. Furieuse de voir sa "protégée" lui échapper, elle fait chercher Kaneda et lui demande de la ramener, coûte que coûte...
