KAY : Elle a oublié les ordres de Lady Miyako et provoque Tetsuo en combat. Vaincue, elle est ensevelie sous des blocs de béton.

KANEDA : Impuissant, il assiste au combat Tetsuo/Kay et ne peut porter secours à celle qu'il aime.

TETSUO : Après s'être débarrassé de ses anciens amis, il poursuit son œuvre de destruction en faisant sortir de son orbite un satellite militaire pour le précipiter sur Terre.

L'AMIRAL : Chasseurs de l'armée U.S., porte-avions, rien ne semble devoir résister à la folie destructrice du disciple d'Akira. Que peut faire l'Amiral ?
